Octubre Negro - Let me

Let me give you that last look
before I go. And let me hear
your voice one more time before
we hang up the telephone.
let me see you in my dreams when
I'm awake and let me kiss you one
more time before I die.

Let me hold you in my dreams like a
treasure in my hands. I will never
let you go if you let me hold you
tight. Let me stay with you all night.
I will never let you go.
And I will give you
a kiss good night.

I've been waiting for you, since the day
I started to live. But I just didn't know
how good was it gonna be. You're
the one who makes me feel truly
alive and I'll never forget the
first kiss you didn't give me that
Wednesday night.
