Please just don't play with me  
My paper heart will bleed  
This wait for destiny won't do  
Be with me, please, I beseech you  
Simple things, that make you run away  
Catch you if I can

Tears fall, down your face  
The taste, is something new  
Something that  
I know moving on is, easiest when I am around you

So bottle up old love, throw it out to sea  
Watch it away as you cry  
A year has passed  
The seasons go

Please just don't play with me  
My paper heart will bleed  
This wait for destiny won't do  
Be with me, please, I beseech you  
Simple things, that make you run away  
Catch you if I can

Waiting, day to day it goes through  
My lips are sealed for her  
My tongue is, tied to a dream of being with you  
To settle for less is not what I prefer

So bottle up old love, and throw it out to sea  
Watch it away as you cry  
A year has passed  
The seasons go

Please just don't play with me  
My paper heart will bleed  
This wait for destiny won't do  
Be with me, please, I beseech you  
Simple things, that make you run away  
Catch you if I can

Do bop do bop do bop, la la la la [x3]

(do do do)

Summertime, the nights, so long  
The leaves fall down, and so do I into the arms of a  
friend  
Winter nights  
My bedside is cold, for I am gone  
And spring blossoms you to me

Summertime, the nights they are so long  
The leaves fall down, and so do I into the arms of a  
friend  
Winter nights  
My bedside is cold, for I am gone  
And spring blossoms you...  
To me
