Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things that make you run away
Catch you if I can

Tears fall down your face
The taste is something new
Something that I know moving on is
Easiest when I'm made around you

So bottle up old love and throw it out to sea
Watch it away as you cry
A year has passed, the seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things that make you run away
Catch you if I can

Waiting, day to day it goes through
My lips are sealed for her
My tongue is tied to a dream of being with you
To settle for less is not what I prefer

So bottle up old love and throw it out to sea
Watch it away as you cry
A year has passed, the seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things that make you run away
Catch you if I can

Bop, bop, bop, la, la, la, la
Bop, bop, bop, la, la, la, la
Bop, bop, bop, la, la, la, la

Summertime, the nights so long
The leaves fall down, so do I into the arms of a friend
Winter nights, my bedside is cold
For I am gone, and spring blossoms you to me

Summertime, the nights they are so long
Leaves fall down, so do I into the arms of a friend
Winter nights, my bedside is cold
For I am gone and spring blossoms you to me
