Back me down from backing up  
Hold your breath its stacking up  
Etched with marks but i can deal  
And your the problem and you can't feel

Try this on straight jacket feeling  
So maybe i wont be alone  
Take back now my life your stealin

Yesterday was hell  
But today im fine without you  
Run away this time without you  
And all i ever thought you'd be  
That face is tearing holes in me again

Trust you is just one defense  
But with a list of others  
You dont make sense  
Beg me time and time again  
To take you back now but you cant win  
Take back now my life your stealin

Yesterday was hell  
But today im fine without you  
Run away this time without you  
And all i ever thought you'd be  
That face is tearing holes in me again

But today im fine without you  
Run away this time without you  
And all the things you put me through  
Im holdin on by letting go of you

And when that memory slips away  
There'll be a better view from here  
And only lonesome you remains  
Just the thought of you i fear  
Ripples away

Yesterday was hell  
Today im fine without you  
Run away this time without you

And all i ever thought you'd be  
That face is tearing holes in me

But today im fine without you  
Run away this time without you  
And all the things you put me through  
Im holdin on by letting go of you
