Back me down from backing up  
Hold your breath now, it's stacking up  
Etched with marks but I can deal  
And you're the problem and you can't feel  
Try this on, straightjacket feeling  
So maybe I won't be alone

Take back now, my life you're stealing  
Yesterday was over, today I'm fine without you  
Runaway this time without you  
And all I ever thought you'd be  
That face is tearing holes in me again

Trust you is just one defense  
Off a list of others, you don't make sense  
Beg me, time and time again  
To take you back now but you can't win

Take back now, my life you're stealing  
Yesterday was over, today I'm fine without you  
Runaway this time without you  
And all I ever thought you'd be  
That face is tearing holes in me again

But today I'm fine without you  
Runaway this time without you  
And all the things you put me through  
I'm holding on by letting go of you

And when that memory slips away  
There will be a better view from here  
And only lonesome you remains  
And just the thought of you I fear, it falls away

Yesterday was over, today I'm fine without you  
Runaway this time without you  
And all I ever thought you'd be  
That face is tearing holes in me

But today I'm fine without you  
Runaway this time without you  
And all the things you put me through

I'm holding on by letting go of you
