Days swiftly come and go  
I'm dreaming of her  
She's seeing other guys  
Emotions a-stir  
The sun is gone  
The nights are long  
And I am left while the tears fall

Did you think that I would cry  
On the phone?  
Do you know what it feels like  
Being alone?  
I'll find someone new

(Swing) Swing, swing  
From the tangles of  
My heart is crushed by a former love  
Can you help me find a way to carry on again?

(Wish) cast into the sky  
I'm moving on  
Sweet beginnings do arise  
She knows I was wrong  
The notes are old  
They bend, they fold  
And so do I to a new love

Did you think that I would cry  
On the phone?  
Do you know what it feels like  
Being alone?  
I'll find someone new

(Swing) Swing, swing  
From the tangles of  
My heart is crushed by a former love  
Can you help me find a way to carry on again?

Bury me  
You thought your problems were gone  
Carry me  
Away, away, away

(Swing) Swing, swing  
From the tangles of (swing, swing, swing)  
My heart (my heart) is crushed by a former love  
Can you help me find a way to carry on again?

(Repeats and fades until the end)
