This may be the last thing that I write for long.  
Can you hear me smiling when I sing this song?  
For you, and only you.

As I leave will you be someone to say good-bye?  
As I leave will you be someone to wipe your eye?  
My foot is out the door, and you can't stop me now.

You wanted the best, it wasn't me.  
Will you give it back? Now I'll take the lead  
when there is no more room to make it grow.  
I'll see you again, you'll pretend your niece  
Is this what you want?  
Is this what you need?  
How do you end up, let me know.

As I go, remember all the simple things you know.  
My mind is just a crutch  
and I still hope  
that you will miss me when I'm gone.  
this is the last song.

Somehow I knew it would be this way.  
Somehow I knew that it will slowly fade.  
Now i'm gone, just try and stop me now.

You wanted the best, it wasn't me.  
Will you give it back? Now I'll take the lead?  
When there is no more room to make it grow  
i'll see you again, you'll pretend your niece  
is this what you want?  
is this what you need?  
How do you end up, let me know.

As I go, remember all the simple things you know.  
My mind is just a crutch  
and I still hope  
that you will miss me when i'm gone.  
this is the last song.

Will you need me now?

You'll find a way somehow  
you wanted too,  
I wanted too.
