This may be the last thing that I write for long
Can you hear me smiling when I sing this song,
For you and only you

As I leave will you be someone to say good-bye?
As I leave will you be someone to wipe your eye?
My foot is out the door, and you can't stop me now

You wanted the best
It wasn't me
Will you give it back?
Now I'll take the lead
When there's no more room to make it grow
I'll see you again
Pretend you're naive
Is this what you want?
Is this what you need?
How do you end up? Let me know

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope,
That you will miss me when I'm gone
This is the last song

The hearts start breaking as the year is gone
The dream's beginning and the time rolls on
It seems so surreal
And now I sing it

Somehow I knew that it would be this way,
Somehow I knew that it would slowly fade.
And now that I am gone
Just try and stop me now.

You wanted the best
It wasn't me
Will you give it back?
Now I'll take the lead
When there's no more room to make it grow
I'll see you again
Pretend you're naive
Is this what you want?

Is this what you need?
How do you end up? Let me know

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope,
That you will miss me when I'm gone
This is the last song.

Will you need me now, you'll find the way somehow
You want it too, I want it too.

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope,
That you will miss me when I'm gone
The last song.

As I go, remember all the simple things you know,
My mind is just a crutch and I still hope,
That you will miss me when I'm gone
This is the last song.
