(Hey Now) (Hey Now)

Have you ever seen such a beautiful night??
I could almost kiss the stars were shining so bright
Then i see u smiling i go Oh-Oh-Oh
I would never want to miss this cuz in my heart i know
what this is

(Chorus)

Hey now hey now
This is what dreams r made of
Hey now hey now
this is what dreams r made
I've got somewhere i belong
I've got somebody to love
this is what dreams r made of

Have you ever wondered what life was about?
you could search the world and never figure it out
You don't have to search the oceans No-No-No
Happiness is no mystery it's her and now it's u and me
yea

(Chorus)

Open your eyes
Shout to the skies
then i see u smiling i go Oh-Oh-Oh
Yesterday my life was duller
Now everything's technicolor

(Chorus out)
