Superstar
Where you from, how's it going?
I know you
Gotta clue, what you're doing?
You can play brand new to all the other chicks out here
But I know what you are, what you are, baby

Look at you
Gettin' more than just re-up
Baby, you
Got all the puppets with their strings up
Fakin' like a good one, but I call 'em like I see 'em
I know what you are, what you are, baby

Womanizer
Woman-Womanizer
You're a womanizer
Oh Womanizer
Oh You're a Womanizer Baby
You, You You Are
You, You You Are
Womanizer, Womanizer, Womanizer

Boy don't try to front I (I) know just (just) what you are
(are are)
Boy don't try to front I (I) know just (just) what you are
(are are)

You Got Me Goin'
You're Oh-So Charmin'
But I can't do it
U Womanizer

Boy don't try to front I (I) know just (just) what you are
(are are)
Boy don't try to front I (I) know just (just) what you are
(are are)

You Say I'm Crazy
I got Your Crazy
You're nothing but
A Womanizer

Daddy-O
You got the swagger of champion
Too bad for you
Just can't find the right companion
I guess when you have one too many, makes it hard
It could be easy
Who you are, that's who you are, baby

Lollipop
Must mistake me you're a sucker
To think that I
Would be a victim not another
Say it, play it how you wanna
But no way I'm ever gonna fall for you, never you, baby

Womanizer
Woman-Womanizer
You're a womanizer
Oh Womanizer
Oh You're a Womanizer Baby
You, You You Are
You, You You Are
Womanizer, Womanizer, Womanizer

Boy don't try to front I (I) know just (just) what you are
(are are)
Boy don't try to front I (I) know just (just) what you are
(are are)

You Got Me Goin'
You're Oh-So Charmin'
But I can't do it
U Womanizer

Boy don't try to front I (I) know just (just) what you are
(are are)
Boy don't try to front I (I) know just (just) what you are
(are are)

You Say I'm Crazy
I got Your Crazy
You're nothing but
A Womanizer

Maybe if we both lived in different worlds
(Womanizer Womanizer Womanizer Womanizer)
It would be all good, and maybe I could be ya girl
But I can't 'cause we don't
You...
