We'll Take this back,  
Inch by inch,  
Step by step,  
We will crawl if we have to (now),  
Like grains of sand we're all slipping away,  
But we are trying to hold on,  
To everyone we've got,

As the voices fade in the distance,  
We're forced to stay behind,  
(Still standing on the brink on all existence, )  
(We fight on, )

As the members turn and run,  
We stand our ground,  
(Still standing on the brink on all existence, )  
(We fight on, )

[X2]  
As the voices fade in the distance,  
(We fight)  
As the members turn and run,

(We're on the brink, )  
(We're on the brink, )  
Unsure of what to think,

(We're on the brink, )  
(We're on the brink, )  
Unsure of what to think,

(You wont hold us back, )
