I've been staring at these walls, now, for high on 9
years.
Pacing up and down these halls, practicing to preserve.
Standing on the drawing board, planning perfect gets
aways.
All I need is open doors to begin the great escape.

The lights burn down below, but I don't wanna know.
The lights burn down below, but I don't wanna know.
I don't care, I don't wanna know.

Decisions have been made, now it's all becoming
clearer.
Term is coming bringing change, time to get on out of
here.

I'm leaving in a plane and I'm never looking back, No
more hiding all.
My shame, when I'm coming off the tracks.

So long, goodbye.
