I've been staring at these walls, now, for high on 9  
years.  
Pacing up and down these halls, practicing to preserve.  
Standing on the drawing board, planning perfect gets  
aways.  
All I need is open doors to begin the great escape.

The lights burn down below, but I don't wanna know.  
The lights burn down below, but I don't wanna know.  
I don't care, I don't wanna know.

Decisions have been made, now it's all becoming  
clearer.  
Term is coming bringing change, time to get on out of  
here.

I'm leaving in a plane and I'm never looking back, No  
more hiding all.  
My shame, when I'm coming off the tracks.

So long, goodbye.
