Open your eyes
Open your eyes
Open your eyes and see the world the way it should be

Well I guess Iâ€™m just a fool, Iâ€™m just a child,
but I know thereâ€™s something wrong behind your eyes
Got a feeling you got lost inside your head,
tell me where youâ€™ve gone, cause I just canâ€™t get in
You gotta see againâ€¦

So open your eyes
Open your eyes
Open your eyes and see the world the way it should be

I will hold my hands up high tonight
Cause love knows we are all a little blind
Gotta feel it, taste it, touch it, and believe

Cause thereâ€™s so much more, beyond the world you
see
Tell me can you see?

Just open your eyes
Open your eyes
Open your eyes and see the world the way it should be

I know youâ€™re gonna see love - donâ€™t let it stop
Youâ€™re gonna see peace in a troubled heart
Youâ€™re gonna see joy in the life you got
Youâ€™re gonna see hope for a second start

If you open your eyes
Open your eyes

Open your eyes and see the world the way it should be
