A heart unsatisfied, walks on a wire
From the lover to the loved, blind as a fire
Warning signs are passed aside, fuel to the fire
A heart will come undone, by a simple desire

Simple desire

We sink deeper in the mud, deep in the mire
What is pure and what is real, hard to define it
No rewind no turning back, love is like a heart attack
And you push until you crack, for a simple desire

Simple desire

I don't want to be alone no more
I don't want to be alone no more
I don't want to be alone no more
Won't you take me with you, take me with you now...

It's a simple desire...

mmm, ooh ooh ooh
