Beg
He-he-he-ha, he-he-he-ha, beg
Ladies and gentleman
(beg, beg)
Put your hands together

Gotta, you gotta
Gotta, you gotta
Ladies and gentleman
Gotta, you gotta
(Beg, beg)
Put your hands together

Used to tell me you were my best friend
Used to tell me your loyalty would never end
Say you'll always have my bad
As soon as I hit rock bottom, you were nowhere to be
had, no, no

Gonna and give it to me *[Shaz, Nat & Nic]*
On the floor where I can see
On your knees and beg *[Shaz, Nat & Nic]*
If you're searching for forgiveness

Gonna and give it to me *[Shaz, Nat & Nic]*
On the floor where I can see
On your knees and beg *[Shaz, Nat & Nic]*
If you're searching for forgiveness

Gotta, you gotta
Gotta, you gotta
(Today's letter was 'B' and the word was 'beg')
Gotta, you gotta
Gotta, you gotta
Beg, beg

Won't let nobody bring me down
Telling you what goes around, comes around
Life is full of mysteries
That's exactly what you are, exactly what you are to me
[Shaz & Mel]

I wanna hear you beg *[Mel, Nat & Nic]*
Hear you beg
Make you see, friendship ain't on the mend *[Mel, Nat & Nic]*
Ain't on the mend

Can't forgive you if I could
Wanna come into my world and you'll see I'm doing
good

Gonna give it to me *[Mel, Nat & Nic]*
Gotta give it, gotta give it to me
On your knees and beg *[Mel, Nat & Nic]*
You are on your knees
Gonna give it to me *[Mel, Nat & Nic]*
On the floor where I can see
On your knees and beg *[Mel, Nat & Nic]*
If you're searching for forgiveness

Gotta, you gotta
Gotta, you gotta
(You gotta give it, you gotta give it to who?) *[Shaz, Nat & Nic]*
Gotta, you gotta
Gotta, you gotta
(You gotta give it, you gotta give it to who?) *[Shaz, Nat & Nic]*
Gotta, you gotta
Gotta, you gotta
(You gotta give it, you gotta give it to who?) *[Shaz, Nat & Nic]*
Aaahhh, ooohhh, ahhhhh
Get down on your knees *[Shaz, Nat & Nic]*
Beg
Gonna give it to me *[Mel, Nat & Nic]*
(Gotta give it, gotta give it to who?)
Get down on your knees *[Mel, Nat & Nic]*
(Beg, baby)
Gonna give it to me *[Mel, Nat & Nic]*
(Beg, baby)

I wanna hear you beg
Hear you beg
Make you see, friendship ain't on the mend
Can't forgive you if I could
Wanna come into my world and you'll see
I'm doing good

Gonna give it to me *[Shaz, Nat & Nic]*
On the floor where I can see
On your knees and beg *[Shaz, Nat & Nic]*

If you're searching for forgiveness
Gonna give it to me *[Shaz, Nat & Nic]*
On the floor where I can see
On your knees and beg *[Shaz, Nat & Nic]*
If you're searching for forgiveness

(You are . . .) *[Nat & Nic]*
Gonna give it to me
(Beg, baby)

On your knees and beg *[Nat & Nic]*
(Mmm, B-E-G - beg)
[Nat & Nic]
Gonna give it to me *[Nat & Nic]*

(He-he-he-ha, he-he-he-ha, beg)
Gonna give it to me
On your knees and beg *[Nat & Nic]*

(You gotta give it, you gotta give it to who?) (Shaz, Nat
& Nic)
Gotta, you gotta

& Nic]*
Gotta, you gotta
