Laugh out loud

The day I left my mother and my father and my sister
Lookin' for a job to pay the rent and buy my dinner
I found it so boring

You see my life revolved around a long term lover
Music was the same I had no time for any other interest
This was my whole life

?You can't sing, if you wanna make a living sop
dreaming?
As a little girl I would listen to them say
I just kept smiling oh, now I'm a sing it now

One two what's a girl to do?
I said 3, 4 I'm gonna laugh some more
(Can you hear me laughing?)
I'm gonna 5, 6 get in the stitch
You'll never know, you'll never ever break me, baby

One two what's a girl to do?
I said, ?3, 4 I'm gonna laugh some more?
(It's just so funny)
I'm gonna 5, 6 get in the stitch
You'll never know, you'll never ever break me, baby

Now times have changed I found myself involved with
another
Still tryin' to forget the game without goin' under slowly
Yet I'm still goin'

I can't believe the way some people want to stomp on
others
Tryin' to take away a sense of pride, must be fulfillin'
If you got no feeling

You can't sing I thought I already told y'all that
Stop dreamin' now get yourself back into class

Can't you see what ever you are trying to achieve
rewards in nothing?

One two what's a girl to do?
I said, ?3, 4 I'm gonna laugh some more?
(Can you hear me laughing?)
I'm gonna 5, 6 get in the stitch
You'll never know, you'll never ever break me, baby

One two what's a girl to do?
I said, ?3, 4 I'm gonna laugh some more?
I'm gonna 5, 6 get in the stitch
You'll never know, you'll never ever break me

As I laugh ha ha, you can kiss my ass
All you guys thought I'd live a nonexistent life
That's right you thought I might not make it on my own
Got my own car, gold cards, I own my own home

Got to be effective, livin' my dreams
Those inhibitions I had to achieve
Try to ruin me you can't pull me down
So I'll prove you wrong and sing my song
When you pass I'll do a laugh

As you bring me down
(Ha ha ha ha I start to laugh a little louder baby)
I just laugh out loud
(Start to laugh a little harder honey)

You still on the ground
(Ha ha ha if you still on the ground)
As I laugh out loud
(Can you hear me?)

One two what's a girl to do?
I said, ?3, 4 I'm gonna laugh some more?
Come on 5, 6 get in the stitch
You'll never know you'll never ever break me, baby

One two what's a girl to do?
I said, ?3, 4 I'm gonna laugh some more?
(Can you hear me laughing)
Come on 5, 6 get in the stitch.
You'll never know you'll never ever break me baby.

Oh, ohh ohhh as I laugh ha ha
Oh, ohh ohhh oh it's just so funny
Laughin' now
(Ha ha ha)
Laughin' now

Oh, ohh ohhh as I laugh ha ha
Can you hear me laughing?
Laughin now
Look who's laughin' now, he he he he
