C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon

Cos I don't wanna be alone
I don't wanna be alone
I don't wanna be alone,
Wanna be alone
Call my number when you get home!
Don't wanna be alone
No, no, no
Talkin' to myself from dusk 'til dawn
Ain't no fantasy, you and me
I can just imagine how it's gonna be
We're getting hot alone
Ain't no fun, so
I don't wanna be alone

I can voodoo
Gonna spook you
With floral symptoms in the afternoon
I get headaches, got small things
Every night with you is never the same
Every minute I intent to pretend that you love me
And I miss you more than this
C'mon, we'll hang out,
Get your clothes, leave the phone,
And come over
Cos I don't wanna be alone

I don't wanna be alone
I don't wanna be alone,
Wanna be alone
Call my number when you get home!
Don't wanna be alone
No, no, no
Talkin' to myself from dusk 'til dawn

Ain't no fantasy, you and me
I can just imagine how it's gonna be
We're getting hot alone
Aint no fun, so
I don't wanna be alone

At night do you think that I'm haunting you?
When you sleep do you think of the things I do?
Do you think that you can't committ to my constant
demands?
(Constant demands for it)
Tell your friend but it aint no sin
If he feels to join in
You and me, me and you and him

We'll hang out,
Get your clothes, leave the phone,
And come over (Come over)

Midnight, (midnight, midnight)
Call you (Calling, calling you)
Hungry (Hungry for your love, your love, your love)
Midnight (Midnight, midnight)
Call you (Calling, calling you)
Hungry (Hungry for your love)
Cos I don't wanna be alone

I don't wanna be alone
I don't wanna be alone,
Wanna be alone
Call my number when you get home!
Don't wanna be alone
No, no, no
Talkin' to myself from dusk 'til dawn
Ain't no fantasy, you and me
I can just imagine how it's gonna be
We're getting hot alone
Aint no fun, so
I don't wanna be alone

I'll do voodoo
Gonna spook you
I don't wanna be alone
I get headpains, got small things
I don't wanna be alone
Every minute I intent to pretend that you love me
I don't wanna be alone
We'll hang out,
Get your clothes, leave the phone,
And come over
Cos I don't wanna be alone, no

I don't wanna be alone
I don't wanna be alone,
Wanna be alone
Call my number when you get home!
Don't wanna be alone
No, no, no
Talkin' to myself from dusk 'til dawn
Ain't no fantasy, you and me
I can just imagine how it's gonna be
We're getting hot alone
Aint no fun, so
I don't wanna be alone

C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
I don't wanna be alone

C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
I don't wanna be alone

C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
C'mon, c'mon, c'c'mon
Cos I don't wanna be alone
(Repeat to fade)
