Come on, come on, come, come on. come on, come  
on, come, come on. come on,  
Come on, come, come on. come on, come on, come,  
come on. come on, come on,  
Come, come on. come on, come on, come, come on.  
come on, come on, come,  
Come on. come on, come on, come, come on ...

Cause I don't wanna be alone, now ...  
I don't wanna be alone ...

I don't wanna be alone, wanna be alone.  
Call my number when you get home.  
I don't wanna be alone, no, no, no.  
Talking to myself from dusk till down.  
In my fantasies, you and me.  
I can just imagine hows is going to be.  
Keep getting alone, ain't no fun,  
So ... I don't wanna be alone ...

I do uhh uhh, gotta stuck on you, with flowers sent from  
you in the afternoon ...  
I get head pain.  
That surprise.  
Every night with you is never the same.  
Every man that I intend to pretend that you love me ...  
And I miss you more and then ...  
Well, hang out getting close to the phone and come  
over ...  
Cause I don't wanna be alone now ...  
I don't wanna be alone.

I don't wanna be alone, wanna be alone.  
Call my number when you get home. I don't  
Wanna be alone, no, no, no.  
Talking to myself from dusk till down.  
In my fantasies, you and me.  
I can just imagine hows is going to be.  
Keep getting alone, ain't no fun,  
So ... I don't wanna be alone ...

And at nights do you think that I'm hunting you?

When you sleep do you think of the things I do?  
Do you think that you can commit to my constant  
demands ...  
Constant demands ...  
Tell your friend that it ain't no sin ...  
If he feels to join in ... you and me, me and you, and  
him.  
Ohh, hang out, get your calls, at the phone, and come  
over.  
Come over ... come over ... come on ...

Midnight ... midnight, midnight ... call you ... calling,  
calling you.

Hungry for your love.  
Your love, your love ... midnight ...  
It's midnight ... midnight, midnight ... call you ...  
So I call you ... calling, calling you ... hungry for your  
love ...  
Cause I'm hungry for your love ... for your love ...  
Cause I don't wanna be alone now ...

I don't wanna be alone, wanna be alone.  
Call my number when you get home.  
I don't wanna be alone, no, no, no.  
Talking to myself from dusk till dawn.  
In my fantasies, you and me.  
I can just imagine hows is going to be.  
Keep getting alone, ain't no fun, so ... I don't wanna be  
alone ...

I do uhh uhh ... gotta stuck on you ...  
I don't wanna be alone.  
I get head pain ... that surprise ...  
I don't wanna be alone ...  
Every man that I intend to pretend that you love me ...  
I don't wanna be alone ...  
Hang out getting close to the phone and come over ...  
Cause I don't wanna be alone now ...

I don't wanna be alone, wanna be alone.  
Call my number when you get home.  
I don't wanna be alone, no, no, no.  
Talking to myself from dusk till dawn.  
In my fantasies, you and me.  
I can just imagine hows is going to be.  
Keep getting alone, ain't no fun, so ... I don't wanna be  
alone ...

Midnight ... call you ... hungry ...  
Cause I don't wanna be alone now ... midnight ...

Call you ... hungry ... cause I don't wanna be alone now

...

Come on, come on, come, come on. come on, come  
on, come, come on. come on,

Come on, come, come on. come on, come on, come,  
come on. come on, come on,

Come, come on. come on, come on, come, come on.  
come on, come on, come,

Come on. come on, come on, come, come on ...

Cause I don't wanna be alone now ...
