Love is love, ohh, ohh, check it check it check it
Love is love, ohh, ohh, check it check it check it

Something just crept upon me
As you lay next to me this morning
As you looked up into my eyes, suddenly I realized
What I've been searching for I no longer have to look
no more
A chance to find the soul-mate for my life
Has released the woman I am

There's a feeling no I can't describe
No, I can't describe
But I know the feeling's here tonight
Is here tonight
Desire goes near to my bared soul
My, my bared soul
My feelings and my fears I'm letting go, I'm letting go

Love is love you can't buy love, is a gift not an
obligation
It cannot lead you to temptation
Love is love, not a game, and should always remain so
Love is love you can't buy love, is a gift not an
obligation
It cannot lead you to temptation
Love is love not a game and should always remain so

Love is to have your heart open
Love is never act like a friend
It's the little things we do
And at time they come from you, uhh

Laughter, anger, tears, or joy
It's the love that we un-know
Me and you, the pictures like the sun, ahh, ahh, love is
love

It's a feeling I can't comprehend
No I, no I, but I know to keep it I intend
To keep it I intend
Desire goes near to my bared soul

My, my bared soul
My feelings and my fears
I'm letting go
I'm letting go

Love is love you can't buy love
Is a gift not an obligation
It cannot lead you to temptation
Love is love, not a game
And should always remain so

Loo oo oo, love is love

Love is love is love
Loo oo oo, love is love
Is love, is love
Loo oo oo, love is love
Love is love is love
Love
Loo oove is love

Love is love you can't buy love, is a gift not an
obligation
It cannot lead you to temptation
Love is love, not a game, and should always remain so
Love is love you can't buy love, is a gift not an
obligation
It cannot lead you to temptation
Love is love not a game and should always remain so

Loo oo oo, love is love

Love is love you can't buy love, is a gift not an
