A few questions that I need to know  
How you could ever hurt me so?  
I need to know what I've done wrong?  
And how long it's been going on?  
Was it that I never paid enough attention?  
Or did I not give enough affection?  
Not only will your answers keep me sane  
But I'll know never to make the same mistake again  
You can tell me to my face  
Or even on the phone  
You can write it in a letter  
Either way I've have to know  
Did I never treat you right?  
Did I always start the fight?  
Either way I'm going out of my mind  
All the answers to my questions I have to find

My head's spinning boy, I'm in a daze  
I feel isolated, don't wanna communicate  
I take a shower, I will scour, I will roam  
Find peace of mind, the happy mind I once owned,  
yeah

Flexing vocabulary runs right through me  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't  
find  
I'm not crazy, I'm sure I ain't done nothin' wrong, no  
I'm just waiting 'cos I heard that this feeling won't last  
that long

Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

Never ever have I ever felt so low

When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

I'll keep searching deep within my soul for all the  
answers  
Don't wanna hurt no more, I need peace  
Got to feel at ease  
Need to be free from pain  
Go insane  
My heart aches, yeah

Sometimes vocabulary runs through my head  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find  
I'm not crazy  
I'm sure I ain't done nothing wrong  
Now I'm just awaiting  
'Cos I heard that this feeling won't last that long

Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

Never ever have I ever felt so low  
When you gonna take me out of this black hole  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad  
Never ever have I had to find  
I've had to dig a way to find my own piece of mind  
I've never ever had my conscience to fight  
The way I'm feeling yeah, it just don't feel right

You can tell me to my face  
You can tell me on the phone  
Ooh, you can write it in a letter, babe  
'Cos I really need to know  
You can tell me to my face  
You can tell me on the phone  
Ooh, you can write it in a letter, babe  
'Cos I really need to know

You can write it in a letter, babe  
You can write it in a letter, babe
