I Just Can't Get Enough.
(I just can't get enough)
I Just Can't Get Enough.
(I just can't get enough)
I Just Can't Get Enough.
(I just can't get enough)
I Just Can't Get Enough.
Tell me, who is this?
There's somebody that I see.
I got to get to know you.
You know I want you for me.
You're so beautiful.
Wanna know inside.
The mystery's killing me.
I can no longer fight.
*CHORUS:
Let me tell you I'm ready, I'm ready...
(Ready for love). Ready for love.
Willing and Able. (Ohh...)
I Can't get enough.
I Just can't get enough.
Ready, I'm willing, and Able.
I'm ready. (For your love).
For you love. Willing and Able.
I can't get enough.
I just can't get enough.
Don't wanna fight it.
Cause I'm feeling you.
(Cause I'm feeling you).
I'm lovin the chemistry.
Do you love it too?
First I, I had nothing
But, I...????...money
(Since you've come around, so...)
I Just Can't Get Enough.
(I just can't get enough.)
I Just Can't Get Enough.
Since you come around so
(I just can't get enough.)

I Just Can't Get Enough.

Since you've come around, so....
