1, 2, 1, 2, she's trapped  
Gonna need some help what you think about that?  
1, 2, 1, 2, she's trapped  
Gonna need some help what you think about that?  
1, 2, 1, 2, she's what?  
Gonna need some help what you think about that?  
1, 2, 1, 2, she's trapped  
Gonna need some help

She sits in her armchair looking into space (uh huh, uh huh)  
Looking for a reason, to find her lost place  
Feeling a little bit sad (sad), but not really all that bad (uh huh, uh huh)  
Searching for a dream, a dream that she's never had

She knows she should get a life (but it ain't that easy)  
*[Shaz, Nat & Nic]*  
Her life's kinda full up (but its all too sleazy) *[Shaz, Nat & Nic]*  
She's going out of her mind  
But she still can't hide, she can't leave her life, why?

Trapped by your life *[Nat & Nic]*  
Life that's unavoidable *[Mel & Shaz]*  
Just to get by *[Nat & Nic]*  
To make it more affordable *[Mel & Shaz]*  
Trapped by your life *[Nat & Nic]*  
That's unavoidable *[Mel & Shaz]*  
Just to get by *[Nat & Nic]*  
To make it more affordable *[Mel & Shaz]*

Can't afford that  
Cos her pockets ain't fat  
She can't afford that  
So what she's gonna do now?

She looks in the mirror - her reflection's someone old (someone old)  
Seeing days gone by - she don't need to be told *[Nat & Mel]*  
Feeling a little bit sad, she cries and packs her bags

Remembering a dream, a dream that she'll never have  
*[Nat & Mel]*

Where will she go? (but it ain't that easy) *[Nat, Shaz & Nic]*

How long 'til she comes home? (but its all too sleazy)  
*[Nat & Nic]*

Maybe she'll make it  
Will she? Or maybe not, what?

Trapped by your life *[Nat & Nic]*  
Life that's unavoidable *[Mel & Shaz]*  
Just to get by *[Nat & Nic]*  
To make it more affordable *[Mel & Shaz]*  
Trapped by your life *[Nat & Nic]*  
That's unavoidable *[Mel & Shaz]*  
Just to get by *[Nat & Nic]*  
To make it more affordable *[Mel & Shaz]*

Trapped, oh, unavoidable, uh, uh, uh, uh, oh  
Trapped, oh, unavoidable, uh, uh, uh, uh, oh

One two, one two, she's trapped

Life that's unavoidable *[Mel, Nat & Nic]*
