Monday on the line
When you know that now's the time
To leave and be free
Aware of your destiny
When that moment arrives
World's visions through the mind
And all I see is what used to be
My life could soon be a memory

I don't ever wanna feel pain (ooohh)
Wanna be ready when you call my name (ahh ahh)
I don't ever wanna feel fear (ooohh)
'cause every night feels alright, when you're near

Battle through this wall of nerves
When you're life it takes a turn
What I have, is what I feel
Well in my mind, you're lying here
Fear that unholy drift
There's a piece of me in all he says
All kinds of mixed stuff inside my head
The stage fright in my own bed

(ahh ahh)
I don't ever wanna feel pain (ooohh)
Wanna be ready when you call my name (ahh ahh)
I don't ever wanna feel fear (ooohh)
'Cause every night feels alright, when you're near

Don't wanna be like a voice without words
'Cause I need you here with me
Don't wanna be alone in this world
Will I suppress my fears
And will I beat this war of nerves

(ahh ahh)
I don't ever wanna feel pain (ooohh)
Wanna be ready when you call my name (ahh ahh)
I don't ever wanna feel fear (ooohh)
'Cause every night feels alright, when you're near

(ahh ahh)

I don't ever wanna feel pain (ooohh)
When it's over, will I feel the same (oh no no no no)
I don't ever wanna feel fear (ooohh)
This war of nerves that I reserve for when you're here

(ahh ahh)
I don't ever wanna feel pain (ooohh)
I'm feeling hurt, but I feel no shame (oh no no no no)
I don't ever wanna feel fear (ooohh)
Do I deserve these cruel words we have here
