YEAH!

Looks like I'm doing time
Framed for another crime
Lost all my innocence
In shameless sin of a broken mind
But maybe I'm to blame
Cause things aren't gonna change
Held down and taken in
To hopeless life and pointless games

You lied, you lied to me
You went and blew my cover
You got away with murder
Now I'm the criminal

Now I'm the criminal
Now I'm the criminal
Now I'm the criminal
But you gave me the key
Whoa-oh
Now I'm the criminal
Now I'm the criminal
Now I'm the criminal
But you gave me the key

Would you say anything?
Give me some reasoning!
To why you stab me in the back
while I was covering
You for this stunt you pulled
Do you think I'm a fool?
I'll tell them everything to
keep my life and record clean

You lied, you lied to me
You went and blew my cover
You got away with murder
Now I'm the criminal

Now I'm the criminal
Now I'm the criminal
Now I'm the criminal

But you gave me the key
Whoa-oh
Now I'm the criminal
Now I'm the criminal
Now I'm the criminal
But you gave me the key
Whoa -oh

Gave me the key!
Whoa-oh

Bullets and enemies
Helmets and you me
Friend or future
Blaming it on the past
Shotguns and make believe
What you have become to me
Holding on to memories won't last
Your fame won't last!

Now I'm the criminal
Now I'm the criminal
Now I'm the criminal
But you gave me the key
Whoa-oh
I am the criminal
I am the criminal
I am the criminal
But you gave me the key
Now I'm the criminal
I am a criminal!
Now I'm the criminal
But you gave me the key
Whoa oh
Gave me the key
Whoa oh!
NOW I'M THE CRIMINAL!
