Honesty didn't get me anywhere
I know cause I read it in you diary
Take a pinch of salt with every word that I say

A graduate from a no-hope academy
The kind of place that you wish you had never seen
State the obvious, there's nothing more I can say

All I want is to feel alive
But I'm dying on the inside
And I've wasted all my time just waiting

Honesty didn't get me anywhere
I know cause I read it in you diary
Take a pinch of salt with every word that I say

A graduate from a no-hope academy
The kind of place that you wish you had never seen
State the obvious, there's nothing more I can say

All I want is to feel alive
But I'm dying on the inside
And I've wasted all my time
Waiting on a compromise

All I want is to feel alive
But I'm dying on the inside
And I've wasted all my time just waiting

Hey! Hey! Hey! Hey!

All I want is to feel alive
But I'm dying on the inside
And I've wasted all my time
Waiting on a compromise

All I want is to feel alive
But I'm dying on the inside
And I've wasted all my time just waiting

Honesty didn't get me anywhere
Honesty didn't get me anywhere

Honesty didn't get me anywhere
Honesty didn't get me

Honesty didn't get me anywhere
Honesty didn't get me anywhere
Honesty didn't get me anywhere
Honesty didn't get me anywhere
