Is this my last breath (x4)

I can't breathe,
I'm choking on my own condensing words.
Answer me
Will you ever answer me?

Aren't you gonna answer me?
When I am crying out your name and I'm lost in shame.
Lead me on my way,
and give me words to say.
(words to say)

And I can't see
That I've lost my dreams,
Carry me, cause my heart is weak

Is this my last breath?
Is this my last breath?

I can't sleep
This world inside my head is run by my anxious
thoughts
Give me peace
Will you bring me off my knees?

Aren't you gonna answer me?
When I am crying out your name and I'm lost in shame.
Lead me on my way, &
Give me words to say.

(words to say)

And I can't see
That I've lost my dreams,
Carry me, cause my heart is weak

Is this my last breath? x2

I've been trying aimlessly, over & over
to fill this void inside of me.

My mind's in a cage
And I'm on my knees.
(on my knees.)

I can feel the shift go inside my head,
Am I going crazy?

And I can't see, that I've lost my dreams,
(this is is my last breath)
Carry me, cause my heart is weak
(this is is my last breath)

I can't see, that I've lost my dreams, yeah
and carry me
(you gonna answer me?)
Cause my heart is weak

Answer me!
Answer me!
