My heart doesn't pull me the same  
Oh, all my carelessness is gone  
And you know my mind doesn't owe me the same  
But, girl, my struggle goes on and on

My soul wants to pull me away  
But all this hopelessness has won  
And all these dreams wanna take me away  
But this feeling just makes me stay

I feel, as it's all on me

Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?  
Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?

It has taken me seven days  
To realize that my time has come  
And I never knew that  
I was gonna be the one to blame  
Why is this taking me so long?

Girl, you know, I don't want to be alone  
(You know, I'll never find another like you)  
So girl, you know, I don't want to be alone  
(You know, I'll never love another like you)

I feel, as it's all on me

Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?  
Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?

Lonely, I feel so lonely  
Hold me, won't you just hold me?

All these signs try and pull me down  
(My soul will go on)  
All these signs try and pull me down  
(My soul will go on)

Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?  
Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?

Lonely, I feel so lonely  
Girl, hold me, won't you just hold me?
