You never said that this would be easy,
So go on live,
You never said that this would be easy,
So go on live.

WOOOOOO!

This is the best part of the message,
And it only took one.

We live for what He's worth,
And that's more than you'll know.
He died for what He loved,
And what He loved was you.

I'll wait for you,
You know I'll wait for you,
I'll wait for you,
You know I'll wait for you.

You never said that this would be easy,
So go on live,
You never said that this would be easy,
So go on live.

Bow your head,
Go on live.

This is the time to let yourself go,
Lord pick me off the ground,
You never said this would be simple,
So pull me in and turn around.
