Yeah
Come on

So now my son is at the hands of a murderer
If you think you'll ever get away with this
You'll have another thing coming

I'll do all that it takes to get to you
This is my flesh and blood
My one and only side
Now losing's not an option
It looks like fighting for you is what I've come to do

I'm running a race against the clock
Every moment that passes by could be your moment to win
I don't know where to start
But I know where it will end
With you back in my arms

And when I find you
I'm going to teach you
What the meaning of pain is
I won't stop until it's over

I'll do all that it takes to get to you
This is my flesh and blood
My one and only side
Now losing's not an option
It looks like fighting for you is what I've come to do

I don't care what you say
I don't care where you hide
I am going to find you
And I'm going to help you realize that you made a big mistake

I will find my son
So give it up

Oh-ah

Go
Give it up
