OOOOHHH!

im so fed up with living iside, this prison.  
my life's controlled by anothers conviction.  
i need a new reality.  
i need to find stabiity.

(there must be someway out)

this is not the last time ill say it.  
i think im losing my mind and theres no changing this.  
its not going to stop until im dead.  
not gunna stop until im dead.

YEEAAH!

theres not enough room in here for the two of us.  
i say right you say wrong, i say love, you say hate it all.  
so who do i believe?

(theres no way out.)

this is not the last time ill say it.  
i think im losing my mind and theres no changing this.  
its not going to stop until im dead.  
ive gotta find a way to live like this.

i think im losing my mind and theres no changing this.  
its not going to stop until im dead.  
not gunna stop until im dead.

ive been trying so hard, for so long.  
and i think its hopeless!

i need a new reality.  
there must be some way out of this mess.  
i need a new reality.  
but theres no way out.

this is not the last time i say it.

i think im losing my mind and theres no changing this.

its not going to to stop until im dead  
not gunna stop until im dead  
ive gotta find a way to live like this.

i think im looking my mind and theres no changing this.  
its not going to stop until im dead  
not gunna stop until im dead!

ROH!
