There's somebody else inside my head
That's telling me to give up
It's telling me to give up.

I'm being taken down
From the inside out.
I think i'm gonna die here.

I need you now, and nothing's making sense.

This time it's not my perspective.
There's something wrong with me.
I can't seem to agree.

Lets face the facts shall we
My life, my life will never be the same
There's no time to make a change.
I'm hopeless.
I'm broken.
I'm beaten bruised and bleeding.
Oh god where are you now?

I need you now, and nothing's making sense.

This time its not my perspective.
Theres something wrong with me
I can't seem to agree.
And i know it's just what you're thinking.
There's something wrong with me
I can't seem to a agree.

(I put it all on the line for you.)
(I put my life on the line for you.)

I put it all on the line for you.
I put my life on the line for you.
I put my life on the line for you.

So why did say goodbye to me?

This time its not my perspective.
There's something wrong with me

I can't seem to agree.
And i know it's just what you're thinking.
There's something wrong with me
I can't seem to a agree.
