Far too long now I have been waiting,  
Waiting for something just to happen.  
Far too long now I have been thinking,  
I've been thinkin' you've got the answer to...

... The question is "do you feel like your letting go?"  
The question is "do you feel like you've lost control?"

Always waiting,  
Always faking

You and me aren't thinking the same way,  
And I'm so used to getting my own way  
That I'm burning us down tonight  
And I swear that no one is getting out of here alive

Far too long now I have been waiting,  
Waiting for something just to happen  
Far too long now I have been thinking  
I've been thinkin you've got the answer to...

... The question is "do you feel like your letting go?"  
The question is "do you feel like you've lost control?"

Always waiting,  
Always faking

You and me aren't thinking the same way,  
And I'm so used to getting my own way  
That I'm burning us down tonight  
And I swear that no one is getting out of here alive

You and me aren't thinking the same way,  
And I'm so used to getting my own way  
That I'm burning us down tonight  
And I swear that no one is getting out of here alive

This is how it goes, This is how it goes  
This is how it goes, This is how it goes  
This is how it goes, This is how it goes  
This is how it goes, This is how it goes

You and me aren't thinking the same way,  
And I'm so used to getting my own way  
That I'm burning us down tonight  
And I swear that no one is getting out of here alive

You and me aren't thinking the same way,  
And I'm so used to getting my own way  
That I'm burning us down tonight  
And I swear that no one is getting out of here alive.
