I know that it's ok to be afraid of
things that I can not see.

I know this feeling, most people
like it, I have this feeling I'll try
to hide it far out of view but not
far from you.

Just when I think that everything
is fine I realize that love makes,
makes me sick. And when I see
the two of you I reconfirm that love
makes, makes me sick.

Why must you infest my, my point
of view of something so pure? I know
you saw this once in the movies. Do it
for her don't do it for me. I'm not
impressed. Are you trying to win her
heart or mine?

Just when I think that everything

is fine I realize that love makes,
makes me sick. And when I see
the two of you I reconfirm that love
makes, makes me sick.

I know this feels like it's right.
Please don't do this to me tonight.

I know that it's ok to be afraid of
things that I can not see. I know you
saw this once in the movies. Do it for
her don't do it for me. I'm not impressed.
Are you trying to win her heart or mine?

Just when I think that everything
is fine I realize that love makes,
makes me sick. And when I see
the two of you I reconfirm that love
makes, makes me sick.
