Let's take a walk
And leave our cares behind us
Let's take a walk
And leave our care behind us
Let's take a walk
And leave out cares behind us
Let's take a walk

What shall we do when the icestorm comes
And how shall we see
When he's darkened the sun
When the islands have flood
And the mountains have gone
Where will we go

Let's take a walk
And leave out cares behind us
Let's take a walk
And leave our cares behind us
Let's take a walk
And leave our care behind us
Let's take a walk
I see four horsemen
With dark eyes and bright wings
And look at my wrist
And please tell me what you see
Cause there is a book
Do you see the name e written there

So Let's take a walk
Leave out cares behind us
Let's take a walk
Leave our cares behind us
Let's take a walk
Leave our care behind us
Let's take a walk

So Let's take a walk
Leave out cares behind us
Let's take a walk
Leave our cares behind us
Let's take a walk

Leave our care behind us
Let's take a walk
