Long Live the Reckless and The Brave
I, don't think I wanna be saved
My song hasn't been sung
So long live us!

Looking out at a town called Suburbia
Everybody's just fighting to fit in
Little rats running mazes having babies
It's a vicious little world
That we live in

Looking back at a life on the other side
I realized that I didn't fit in
Didn't hate it
But I didn't quite relate it
To my precious little world

Chorus
So long live the reckless and the brave
I, don't think I wanna be saved
My song has not been sung
And long live the fast times
So come what may
I, don't think I'll ever be saved
Our song has not been sung
Long live us!

Breaking out at a town called Suburbia
I remember everybody
Always saying little brat
Must be crazy never making it
In our vicious little world
Still I'm leaving

Got a van, got a chance
Got my dignity
Got a dream, got a spark
Got somewhere to be
Take a breath, say goodbye
To your precious little world!
(Say goodbye to me)

(Chorus)

Long live the reckless and the brave
I, don't think I wanna be saved
My song has not been sung
So long live us!

Long live the reckless and the brave
I, don't think I wanna be saved
My song has not been sung
And long live the fast times
So come what may
I, don't think I'll ever be saved
I know our song has not been sung
Long live us! (Long live us)
