I wish you could see your face right now  
'Cause you're grinning like a fool  
And we're sitting on your kitchen floor  
On a Tuesday afternoon  
It doesn't matter when we get back  
To doing what we do  
'Cause right now could last forever  
Just as long as I'm with you

You're just a daydream away  
I wouldn't know what to say if I had you  
And I'll keep you a daydream away  
Just watch from a safe place  
So I never have to lose

We would go out on the weekend  
To escape our busy lives  
And we'd laugh at all the douche-bag guys  
Chasing down their desperate wives  
I would drink a little too much  
You would offer me a ride  
And I would offer you a t-shirt  
And you'd stay another night

But you're just a daydream away  
I wouldn't know what to say if I had you  
And I'll keep you a daydream away  
Just watch from a safe place  
So I never have to lose

We never stood a chance out there  
Shooting love in real-time  
So we'll take it over ice tonight  
With a little salt  
And a little lime

You're just a daydream away  
I wouldn't know what to say if I had you  
And I'll keep you a daydream away  
Just watch from a safe place  
So I never have to lose

You're just a daydream away  
I wouldn't know what to say if I had you.
