Oh, oh, oh oh, oh, oh, oh
Lost in stereo, lost in stereo
Oh, oh, oh oh, oh, oh, oh
Lost in stereo, lost in stereo

She works for the weekend
Mix-tape of her favorite bands
Tearing up the radio
Lost in the stereo sound

She's trouble in a tank-top
Pretty little time-bomb
Blowin' up - take you down
Livin' in the radio
Lost in the stereo sound

She's dancing alone
I'm ready to go
But she's so lost in stereo,
Lost in stereo
She's out of control
So beautiful in stereo,
Lost in stereo
And I've been
Waiting
For so long
But she'll never know
I'm losing hope
'Cause she's so lost in stereo,
Lost in stereo
Oh, oh, oh oh, oh, oh, oh
Lost in stereo, lost in stereo

Shake-down on a Saturday
Sit back
Gotta catch my breath
'Cause every time I see her
Know she's gonna take it back somehow

Tattoos and a switchblade attitude
Snake-bite heart with a bubble-gum smile
Sex in stereo

Don't turn the radio dial

She's dancing alone
I'm ready to go
But she's so lost in stereo,
Lost in stereo
She's out of control
So beautiful in stereo,
Lost in stereo
And I've been
Waiting
For so long
But she'll never know
I'm losing hope
'Cause she's so lost in stereo,
Lost in stereo

And I'm just like cellophane
'Cause she sees right through me
I know, she's glitter and gold
And that's just the price I pay
When I don't even know her name
She's slipping away

She works for the weekend
Mix-tape of her favorite bands
Tearing up the radio
Lost in the stereo sound

She's dancing alone
I'm ready to go
But she's so lost in stereo,
Lost in stereo
She's out of control
So beautiful in stereo,
Lost in stereo
And I've been
Waiting
For so long
But she'll never know
I'm losing hope
'Cause she's so lost in stereo,
Lost in stereo [x2]
