Well, you're a long walk from my street  
And I'm dying in this summer heat  
I hope like hell you're waiting, waiting

Everybody's living like they're crazy in love  
I'm a dizzy mess, and everything is so above me  
From the floor of any life I lead today

Well, they can take, take, take the kids from the  
summer  
But they'll never, never, never take the summer from  
me  
It was the very first time that I lost my mind for a week  
They can't make, make, make me forget the weather  
If I never, never, never wash the sand from my feet  
It was the very last, time then we said goodbye to the  
beach  
(Showing off, showing off our teeth)

So make one last call back home  
Cause tonight we go in alone  
And I hope that you know I'm waiting, waiting...  
(Summer do you feel me?)

Everybody's singing like we're crazy in love  
We made a dizzy mess of everything but it was enough  
So bring all the boys and all the girls together

Well, they can take, take, take the kids from the  
summer  
But they'll never, never, never take the summer from  
me

It was the very first time that I lost my mind for a week  
They can't make, make, make me forget the weather  
If I never, never, never wash the sand from my feet  
It was the very last time then we said goodbye to the  
beach  
(Showing off, showing off our teeth)

(Summer do you feel me  
Listen can you hear it?)

Cave in and believe me  
Open up and scream it)

You're going out in style  
And I'm getting tired of all your lying  
Stop pretending  
Stop, the answer's in the smile  
And I'm coming clean  
Just give me something  
Stop pretending

Well, they can take, take, take the kids from the  
summer  
But they'll never, never, never take the summer from  
me  
It was the very first time that I lost my mind for a week  
They can't make, make, make me forget the weather  
If I never, never, never wash the sand from my feet  
It was the very last time then we said goodbye to the  
beach  
(Showing off, showing off our teeth)
