Praying won't do it  
Hating won't do it  
Drinking won't do it  
Fighting won't knock you out, of my head.

Hiding won't hide it  
Smiling won't hide it  
Like I ain't tried it  
Everyone's tried it now, and failed somehow.

So when you gonna let me  
When you gonna let me out, out.

And if you know  
How do you get up from an all time low  
I'm in pieces, it seems like peace is  
The only thing I'll never know  
How do you get up, get out.

'Cause driving won't do it  
Flying won't do it  
Denying won't do it  
Crying won't drown it out, what you said

When I'm standing at the yellow lines  
Waiting at the station  
Or I'm late for work  
A vital presentation  
If you call me now girl  
Without reservation  
I will try to break though

But if you know  
How do you get up from an all time low  
I'm in pieces, it seems like peace is  
The only thing I'll never know  
How do you get up from an all time low.

I can't even find a place to start  
How do I choose between my head and heart  
'Til it ceases, I'll never know

How do you get up from an all time low

Low x7

Can you hear me.

Low x7

Can't you hear me

Low x7

Can you hear me

And if you know

How do you get up from an all time low

I'm in pieces, it seems like peace is

The only thing I'll never know

How do you get up, get out

I can't even find a place to start

How do I choose between my head and heart

'Til it ceases, I'll never know

How do you get up from an all time low x2
