Whoa-oh-oh, Whoa-oh-oh
Whoa-oh-oh, Whoa-oh-oh

From the get go I knew this was hard to hold
Like a crash the whole thing spun out of control
Oh on a wire, we were dancing
Two kids no consequences
Pull the trigger, without thinking
There's only one way down this road

It was like a time bomb, set it in motion
We knew that we were destined to explode
And if I have to pull you out of the wreckage
You know I'm never gonna let you go
We're like a time bomb
Gonna lose it, let's defuse it
Baby, we're like a time bomb
But I need it
Wouldn't have it any other way

Well there's no way out of this so let's stay in
Every storms that comes also comes to and end
Oh, resistance is useless
Just two kids, stupid and fearless
Like a bullet, short while it lasted
There's only one way down this road

It was like a time bomb, set it in motion
We knew that we were destined to explode

And if I have to pull you out of the wreckage
You know I'm never gonna let you go
We're like a time bomb
Gonna lose it, let's defuse it
Baby, we're like a time bomb
But I need it
Wouldn't have it any other way

Got my heart in your hands, like a time bomb ticking
It goes off, we start again
If it breaks, we fix it
Got your heart in my hands, like a time bomb ticking

We should know better but we won't let go

It was like a time bomb, set it in motion

We knew that we were destined to explode (destined to
explode)

And if I have to pull you out of the wreckage

You know I'm never gonna let you go (I'm never gonna
let you go)

Like a time bomb

Gonna lose it, let's defuse it

Baby, we're like a time bomb

But I need it

Wouldn't have it any other way

Whoa-oh-oh, Whoa-oh-oh
