Hey there, it's good to see you again
It never felt right calling this just friends
I'm happy, if your happy with yourself

Take off your shirt your shoes
Those skinny jeans I bought for you
It's happening, there's nothing left to lose

I'm gonna break down these walls (down these walls)
I built around myself
I wanna fall so in love (so in love)
With you and no one else
Could ever mean half as much
To me as you do now
Together we'll move on
Just don't turn around
Let the walls break down

I used to wear you like a ball and chain
I run and hide at the call of my name
It was obvious, you were too much for me
Oblivious, I was young and horny

In retrospect, I would'nt do it again
Stop talking shit to everyone of your friends
I'm not the same boy you knew back then

Cause I can break down these walls (down these walls)
I built around myself
I wanna fall so in love (so in love)
With you and no one else
Could ever mean half as much
To me as you do now
Together we'll move on
Just don't turn around
Let the walls break

I can't breathe, my bodys shakin'
You got a way with the way you take me
Cause you break me down
Ya know you break me down

I'm gonna break down these walls (down these walls)
I built around myself
I wanna fall so in love (so in love)
With you and no one else
Could ever mean half as much
To me as you do now
Together we'll move on
Just don't turn around
Let the walls break down

I'm gonna break down these walls
I built around myself (Let the walls break down)
I'm gonna break down these walls

Cause you break me down
Let the walls break down
