Manage me, I'm a mess
Turn a page, I'm a book half unread
I wanna be laughed at, laughed with, just because
I wanna feel weightless and that should be enough

Well I'm stuck in this fucking rut
Waiting on a second-hand pick-me-up
And I'm over getting older

If I could just find the time
Then I would never let another day go by
I'm over getting old

Maybe it's not my weekend but it's gonna be my year
And I'm so sick of watching while the minutes pass as I
go nowhere
And this is my reaction to everything I fear
'Cause I've been going crazy, I don't wanna waste
another minute here

I make believe that I impress
That every word, by design, turns a head
I wanna feel reckless, wanna live it up just because
I wanna feel weightless 'cause that would be enough

If I could just find the time
Then I would never let another day go by

I'm over getting old

Maybe it's not my weekend but it's gonna be my year
And I'm so sick of watching while the minutes pass as I
go nowhere
And this is my reaction to everything I fear
'Cause I've been going crazy, I don't wanna waste
another minute here

This could be all that I've waited for
(I've waited, I've waited for)
And this could be everything I don't wanna dream
anymore

Maybe it's not my weekend but it's gonna be my year
And I've been going crazy, I'm stuck in here

Maybe it's not my weekend but it's gonna be my year
(It's gonna be my year)
And I'm so sick of watching while the minutes pass as I
go nowhere
(Go nowhere)
And this is my reaction to everything I fear
(Everything I fear)
'Cause I've been going crazy, I don't want to waste
another minute here
