Another chance has come and gone
And I've allowed my faith
To fade into the background.
How can I claim to be like Your Son?
And keep hanging on to what I know?
He has died to me from

(Chorus)

I'm tired of blending it
I'm tired of being one of the crowd
While everyone knows my name
Nobody knows my God.
I don't wanna be another camouflage soul
Cuz I've been that way too long.
I don't wanna be another camouflage soul.

I've finally realized the danger of sitting on the
sidelines.
Conformity is failure.
I have the disguise to look the part.
But I don't wanna wear Your cross around my neck and
not have the peace in my heart.

Chorus

I've got a change of heart
And now I'll change my mind
I'm ready for a brand new start
Now I've got to change my life. (4x)

Chorus
