I can see the God of our protection
He's been a constant help in my time of trouble
We will not be afraid on the day when the earth will
shake
And the mountains will crumble to the sea
And I can see our Father descending from His heavens
And I can see His children arising from the Earth
And I can see the Son as He's gathering the nations
Where every knee will bow and every tongue confess
that
Chorus:
We know, that You are God
We know, that You are God
We know, that You are God
That You are God
I can see us all in pure perfection

I can see the Lord as He's seated on the throne
And we will not be afraid on the day when all creation
sees
Will see the glory of the Son
And I can see the angels soaring through the Heavens
And I can see the elders laying down their crowns
And I can hear the joy of eternal celebration
Singing 'Holy is the Lord'
Chorus
I can see the angels soaring through the Heavens
I can see the elders laying down their crowns
I can hear the joy of eternal celebration
Singing 'Holy is the Lord'
Chorus
