Rise up to your last hope  
Rise up end of your rope  
Reveal the tragic moment  
Scattered among the ashes

Buried in walls of steel  
Manger of death loss for feel

A face is dealt  
An ace is dealt  
Fear of disgrace  
Cause carries on  
A face is dealt  
An ace is dealt

Fear of disgrace

Raging out of control  
Cross the bridge  
Pay your last toll  
Death is truest of all  
Promises rise and fall

Rise up to your last hope  
Rise up end of your rope  
Death is truest of all  
Promises rise and fall
