Would you believe, if I turned water to wine?
Would you believe, if I gave sight to the blind?
Can you calm the storms?
Can you calm the storms?

I could be a man or a myth.
I could be the greatest teacher the world has ever
known.
I could be a crazy man.
I could be the Son.

Would you believe, if I could walk on an angry sea?
Would you come to me, if I healed all your diseases?
Can you calm the storm?
Can you curse the wind?
Can you hold back the rain?
Can you calm the storm?
That rages in the life of an wicked man.

I could be a man or a myth.
I could be the greatest teacher the world has ever
known.
I could be a crazy man.
I could be the Son.

Don't you see that I love you?
Don't you see that I love you?
But you still don't believe, and I can tell by the way you
roll your eyes.
And you still dont believe, and I can tell by the way, by
the way you live your life.

I could be a man or a myth.
I could be the greatest teacher the world has ever
known.
I could be a crazy man.
I could be the Son.
Can you calm the storms?
