Friday night and we're gonna party (oh!)  
No stoppin' that's when we get started  
Hey-o, don't you know  
Hey-o baby here we go (oh!)  
Everybody come dance in the moonlight (oh!)  
Throw your hands in the air 'cuz it's alright  
Hey-o, don't you know  
Hey-o baby here we go (oh!)

Friday evening and the sun is going down  
Every city, every town  
Friday evening and the people in my neighborhood  
Know tonight is going to be all good (eh eh eh)

All the ladies gettin' ready  
Puttin' on sumptin' sexy  
Gonna be breaking some hearts before long  
No time to be lonely  
Come and get with my homies  
Thank God it's Friday, the party is on

All week long you've been putting in your time  
Working hard from 9 to 5 yeah  
All week long you've been waiting to unwind  
Here's your chance  
Come on out tonight (eh eh eh)

I know you're ready to party (party)  
And we're just gettin' started  
You know tonight's gonna be outta sight  
Find a cute seniorita  
Stroll on, go over and meet her

Maybe you'll find some romancin' tonight
