Me and my dudes hanging out, Just came to have a  
good time,  
This mommy's checkin me out, Smiling and winkin her  
eye,  
Then she steps up to me, grabs my hand, takes me to  
the floor,  
And when she starts to dance, I knew trouble was at my  
door,

Cause I got a girl at home,  
And she's trusting me to, do the right thing,  
And I just came to have some fun, I didn't come to hook  
up with anyone.

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go

U pushin' all up on me, Baby It's turnin' me on,  
And In a second or two, I'm gonna do something  
wrong,  
Cause if I don't intervene, ain't no tellin' what I'm gonna  
do  
And I know that my girl, don't want me hangin' out with  
you,

Girl u makin this to hard, and it's killing me to have to  
leave  
I just came to have some fun, I didn't come to hook up  
with anyone.

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go

Baby I must admit that I am attracted to you.  
But I don't wanna mess up,  
Won't take the chance of losing every  
Thing that I have for a one night affair

If I was single still, I would stay and chill,  
I gotta go, go, go, go,  
I need to escape, fore it's to late,  
I gotta go, go, go, go, go, go
