I guess I thought you'd be here forever
Another illusion I chose to create
You don't know what you got until it's gone
And found out a little too late

I was acting as if you were lucky to have me
Do you a favor I hardly knew you were there
But then you were gone and it was all wrong
Had no idea how much I cared

Chorus

Now being without you
Takes a lot of getting used to
Should learn to live with it
But I don't want to
Living without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya babe
You're a hard habit to break

You found someone else you had every reason
You know I can't blame you for running to him
Two people together but living alone
I was spreading my love too thin

After all these years
I'm still trying to shake it
Do you much better they say that it
Just takes time
But deep in the night it's an endless flight
I can't get ya out of my mind

Chorus

2nd Chorus

Being without you
Takes a lot of getting used to

Should learn to live with it
I don't want to
Being without you
Is all a big mistake
Instead of getting easier
It's the hardest thing to take
I'm addicted to ya babe
You're a hard habit to break
